INCIDENT DATE / TIME
05/30/2009 17:00

Narrative Type: Supplement
Narrative Officer: Smith, Roger
Reporting Officer: Mogensen, Heather 141

Topic: Redacted Narratives
Narrative Date/Time: 10/05/2009 13:13

On June 01, 2009 I was dispatched to Tremper High School to meet with and a KPD officer regarding a child custody issue.

I met with Officer Mellichar KPD badge 425. Mellichar was at Tremper High School in the east lot assisting in a vehicle lockout. A female subject approached him identified as Carleen D. Larson stating that her husband Robert R. Larson DOB 05/11/1965 is there to pick up their five kids from school and fears that they may be harmed by him. Officer Mellichar found Robert parked in the lot with his children in the van. Officer Mellichar told me that Carleen stated the kids were getting slapped by their father Robert. Officer Mellichar spoke to the kids who stated they were in fear of their father Robert and all stated they were hit by the father. Kids are identified verbally Officer Mellichar as:

XXXXXXXXXXXX X. XXXXXXXXXXXX DOB XX/XX/XXXX
XXXXXXXXXXXX X. XXXXXXXXXXXX DOB XX/XX/XXXX
XXXXXXXXXXXX X. XXXXXXXXXXXX DOB XX/XX/XXXX
XXXXXXXXXXXX X. XXXXXXXXXXXX DOB XX/XX/XXXX
XXXXXXXXXXXX X. XXXXXXXXXXXX DOB XX/XX/XXXX

I spoke with Carleen briefly who stated that on May 30, 2009 Carleen had spoken to Robert about being too rough with the kids when punishing them. Carleen told Robert that he needed to get some help, because he was harming the kids. Robert left the house that day and didn't return. Carleen stated this occurred at 9189 41st Avenue in Pleasant Prairie. Carleen stated that the son XXXXXXXXXXXX X. XXXXXXXXXXXX DOB XX/XX/XXXX had a mark on his left cheek from when his Father Robert slapped him. Carleen advised that she is not legally married to Robert, but legally changed her name to Larson. Carleen stated that Robert has mental and anger management issues and felt it necessary to have police get involved before the kids get harmed further.

I spoke with Robert away from the children and explained to him that we have been told by Carleen that he is abusing the children and we would have to speak to him regarding this issue. I asked Robert if he would be willing to ride in my squad to the police department for questioning. I explained to Robert that he was not under arrest. Robert complied and was put into my squad not hand cuffed. Detective Mogensen arrived on scene and spoke with the children.

I transported Robert to the Police Department and placed Robert in Interview 2 room for the interview. Interview started at approximately 0310 hours. I advised Robert that the interview is being recorded and read Robert Miranda. I asked Robert if he understood his rights. Robert stated he understood his rights. I asked Robert with his rights in mind would he talk to me and answer my questions. Robert stated he didn't know and would have to hear the question first. I explained to Robert that the questions would be regarding statements from Carleen stating that Robert was hitting the children, and his children stating that their father Robert was being too forceful with them. I asked Robert again if he is willing to answer my questions. Robert asked what would you define hitting or being to forceful. I told Robert that we would get into that area when begin questioning. I asked Robert again if he is willing to answer my questions. Robert stated he would have to hear my question and he will decide if he will answer the question. Robert stated that he understood that he can refuse to make a statement or answer any questions, but that doesn't mean you cant ask me questions. I asked Robert about the mark on his son XXXXXXXXXXXX X. cheek and if he knew where it was from. Robert stated that he didn't know where it came from. I asked Robert if he struck XXXXXXXXXXXX X. Robert stated no. I asked if he had slapped XXXXXXXXXXXX X. in the face. Robert starred at me without saying anything. I asked Robert if he would answer my question. Robert stated that he could answer my question, but he had the right not to make a statement. I asked Robert if he will answer any of my further questions regarding the striking or slapping of the children. Robert asked how do you define strike. I told Robert slapping your kids. Robert wanted a definition of striking and slapping. I explained to Robert that we are looking at an abuse of a child. I asked Robert if their was anything he would like to tell me. Robert told me no and that he didn't plan on coming down to the police department. I asked Robert what he thought about the allegations made against him. Robert stated that he did not physically or emotionally abuse his children and complied within the legal laws in exercising corporal punishment. I asked Robert what his idea of Corporal punishment is. Robert was not answering the question. I asked Robert if he is refusing to answer that question. Robert stated yes. I asked Robert how he punishes his children when they have done something wrong. Robert stated he would pass on that question. At this time I stopped the interview, because Robert refused to answer any question involving the investigation. Interview ended. Robert remained in the interview room until further notice from Detective Mogensen (see Detective Mogensen's report).

While in the Interview room Robert made two phone calls on his cell phone. Two phone calls were recorded and will be placed in evidence. Phone calls involved Robert stating that he was in police custody and on the second call he told the second subject to "keep his mouth shut". It is not known what he was referring to when he told the subject on the phone to keep his mouth shut. Topic of the second phone call was regarding the incident with his children. Robert spoke of picking up the kids today from school and leaving with them.

INCIDENT DATE / TIME

On Tuesday June 2, 2009 Detective Mogensen had me respond to 8400 122nd street to take photos of a marking on the wall made by a kitchen chair. Photos were entered into evidence under 09-7586(2).

End of report.

Officer J. Hackney # 165

Detective Heather Mogensen reports the following:

On June 1, 2009, I was requested to respond to Tremper High School located at 8560 26th Ave., Kenosha, WI., for a child abuse complaint. Upon arrival, I spoke with Off. Hackney who informed me that KPD was flagged down and it was reported by a Carleen D. Larson that the children were being slapped by their father. The father is identified as Robert R. Larson. The children had reported to Officer Mellichar, KPD, that they were being hit by suspect, Larson.

I was given the names of the children which are as follows:

XXXXXXXXXX X. XXXXXXXXXXXX, DOB- XX/XX/XXXX
XXXXXXXXXX X. XXXXXXXXXXXX, DOB- XX/XX/XXXX
XXXXXXXXXX X. XXXXXXXXXXXX, DOB- XX/XX/XXXX
XXXXXXXXXX X. XXXXXXXXXXXX, DOB- XX/XX/XXXX
XXXXXXXXXX X. XXXXXXXXXXXX, DOB- XX/XX/XXXX

I talked with Carleen and informed her that I wanted to speak with XXXXXXXXXXXX but that I wanted to get more information from her as well. I asked XXXXXXXXXXXX to come to my car and talk with me briefly. I asked XXXXXXXXXXXX to tell me what had happened. XXXXXXXXXXXX stated that on Sunday or Saturday of last week, which would be May 30th or May 31st 2009, he was annoying his sister by not listening to her. XXXXXXXXXXXX was called into the house by the suspect and the suspect asked XXXXXXXXXXXX to tell him what he has stated to him before. XXXXXXXXXXXX said that the suspect will crack him in the mouth. XXXXXXXXXXXX indicated that the suspect did hit him across the mouth. I asked him what he felt after that had happened. XXXXXXXXXXXX stated that it stung and hurt when he touched the area by his cheek. XXXXXXXXXXXX further stated that his sister XXXXXXXXXXXX took a photo of his face. It was clarified that this occurred at 9189 41st Ave., Pleasant Prairie, WI. A CAC interview is scheduled for 6/3/09 for XXXXXXXXXXXX to explore this incident more.

It was decided to come back to the PD, to obtain initial information from the other children. Officer Hackney transported the suspect voluntarily back to the PD. Officer Hackney spoke with the suspect in which he did not wish to provide any information or a statement as to the allegations of child abuse. Juvenile Crisis was notified.

XXXXXXXXXX had asked to speak with me again, and indicated that he had bruises on his arm that were caused from his Dad. Off. Hackney took photos of these injuries when he was finished interviewing the suspect.

I spoke with XXXXXXXXXXXX H. XXXXXXXXXXXX. XXXXXXXXXXXX had said that on today's date, the suspect tried to take them away from her Step-mom Carly. XXXXXXXXXXXX had said that the suspect had picked her up from school at Mahone and then they went to Jeffery School. From there they went to Tremper and Carly had shown up and walked up to the van. The van was parked out front on the east side of the school in the driveway. XXXXXXXXXXXX had stated that she had seen the suspect slap her brother on the cheek. She further stated that the suspect had grabbed her off of the ground by her jaw. XXXXXXXXXXXX started crying when she was talking with me. XXXXXXXXXXXX also stated that XXXXXXXXXXXX had gotten spanked and that he had bruises on his bottom. XXXXXXXXXXXX informed me that the suspect had told her that she could not tell Carly about this. A CAC interview and exam is scheduled for 6/3/09 for XXXXXXXXXXXX to explore this more.

In speaking with XXXXXXXXXXXX X. XXXXXXXXXXXX she stated that she was here talking with me because of the suspect. XXXXXXXXXXXX had stated that over the weekend, XXXXXXXXXXXX and XXXXXXXXXXXX came inside the house. She stated that XXXXXXXXXXXX was annoyed with XXXXXXXXXXXX. The suspect asked XXXXXXXXXXXX if he wanted to get cracked in the face? The suspect then hit XXXXXXXXXXXX once in the face which XXXXXXXXXXXX stated left marks. She stated that it looked like two blue fingerprints and she took a photo of this. The photo was provided to PPPD and is included in this case. During this brief interview, XXXXXXXXXXXX was became visibly upset while she was discussing this event.

In speaking with XXXXXXXXXXXX, she stated that on today's date being June 1, 2009, the suspect took away her phone. She explained so that she couldn't call anyone. XXXXXXXXXXXX said that the suspect got into a fight with Carly. XXXXXXXXXXXX also stated that she had seen the suspect hit XXXXXXXXXXXX. I asked her to tell me about that. XXXXXXXXXXXX stated that XXXXXXXXXXXX was annoying her and because of that the suspect had used his open hand and slapped XXXXXXXXXXXX in the face. XXXXXXXXXXXX stated that she had observed a mark on XXXXXXXXXXXX's cheek.

XXXXXXXXXXXX also explained last year at the end of school, she was at the table and wouldn't eat her potatoes. XXXXXXXXXXXX had said that the suspect tried to force her to eat the potatoes. Furthermore, the suspect had pick her up and pushed her down and grabbed her around the neck. This is at the 8400 122 St. residence. XXXXXXXXXXXX was also visibly upset. A CAC interview/exam is scheduled for 6/3/09 to further explore these incidents.

In speaking with XXXXXXXXXXXX, she stated that she was at the PD to speak with me because the suspect was mean. I asked her to tell me more about that and she stated that the suspect grabs her jaw and puts her head against the wall. I asked when this happened and she stated that within the last week or two at 9189 41st Ave.

XXXXXXXXXXXX had also stated that she remembered a time when XXXXXXXXXXXX didn't eat her potatoes and that the suspect had slammed her (XXXXXXXXXXXX) to the ground. XXXXXXXXXXXX was very upset and the interview was concluded. A CAC Interview is scheduled for June 3, 2009. A forensic exam was conducted on June 2, 2009 at the CAC.

Juvenile Crisis arrived and spoke with the suspect. The suspect had agreed not to go to any of the residences without Law Enforcement. After Jodi Davison was finished speaking with the suspect, she went to the Larson residence of 9189 41st Ave., to speak with the family. Once she was finished, Myself and Officer Prange escorted the suspect back to his residence to pick up some personal belongings. A friend of the suspect, named Aaron Bernau had contacted the PD and offered assistance with anything. Bernau provided the suspect with a ride to this residence, and then helped load items into his vehicle.

The suspect picked up a work truck and brought it back to the PD. Myself and Officer Prange again met the suspect at 8400 122nd St., Pleasant Prairie, WI., where he removed another work truck with a trailer. Aaron Bernau had indicated that he had lunch with the suspect on this date being 6/1/09. Aaron stated that they were discussing the suspects marriage. See Officer Larson's report for details on this statement.

A statement was taken from XXXXXXXXXXXX as we spoke more in depth during the evening of 6/1/09. XXXXXXXXXXXX indicated that Carly had contacted her on her cell phone. Carly had said that she and the suspect had gotten into a fight. XXXXXXXXXXXX said that she was informed by Carly that the suspect was unstable. After XXXXXXXXXXXX and Carly hung up the phone, the office had called her down. XXXXXXXXXXXX saw the suspect in the school as she walked to the office. She placed a phone call to Carly where XXXXXXXXXXXX had said that she was afraid that her Dad would take them to the Island Lake house. Carly had told her to get a security guard and XXXXXXXXXXXX had requested her to come to school.

XXXXXXXXXXXX told the security guard that the suspect wasn't supposed to pick her up and that she didn't want to go with him. Furthermore, XXXXXXXXXXXX stated that there were people in her house that were being abused like her brother. XXXXXXXXXXXX had gone with the guard and then eventually they went outside and she saw Carly out in the parking lot. The suspect had told XXXXXXXXXXXX to get into the car, and she had told him that she wouldn't go. XXXXXXXXXXXX was told one more time to get into the car. XXXXXXXXXXXX had stated that she didn't comply and the security guard had told the suspect to turn around. Subsequently the police arrived.

XXXXXXXXXXXX had stated that last Friday being May 29, 2009, she saw the suspect hit XXXXXXXXXXXX in the face with an open hand. Again this was because XXXXXXXXXXXX was annoyed with XXXXXXXXXXXX. XXXXXXXXXXXX stated that she heard the suspect ask XXXXXXXXXXXX why he was annoying XXXXXXXXXXXX and if he wanted a crack across the face. XXXXXXXXXXXX stated that the suspect had slapped XXXXXXXXXXXX and she saw XXXXXXXXXXXX's eyes watering.

XXXXXXXXXXXX stated that she had asked XXXXXXXXXXXX if it had hurt where he had gotten slapped and XXXXXXXXXXXX stated that it did. XXXXXXXXXXXX described XXXXXXXXXXXX's face as being red and that the next day it started to bruise. XXXXXXXXXXXX said that she took a photo of XXXXXXXXXXXX's face on Sunday May 31, 2009. XXXXXXXXXXXX further stated that XXXXXXXXXXXX's face on Sunday his face was a little bit yellow on the left side. (9189 41st Ave.)

When asked if there were any other times that anyone in the house was hurt, XXXXXXXXXXXX had replied that the suspect grabbed XXXXXXXXXXXX last Tuesday being May 19, 2009 by the jaw. I had asked XXXXXXXXXXXX to describe this, and she informed me that the suspect takes his hand and puts in under the jaw and grabs that area. I had asked her why this had happened and she stated that XXXXXXXXXXXX didn't do a chore having to do with the dog.

Another incident occurred sometime within the last week. XXXXXXXXXXXX had stated that the suspect was upset with XXXXXXXXXXXX because she forgot to clean out the lint trap from the dryer. XXXXXXXXXXXX stated that the suspect had grabbed XXXXXXXXXXXX tightly by the jaw and he hit her head against the wall. I asked where in the house that this occurred and she stated in between the front door and the garage. (9189 41st Ave)

XXXXXXXXXXXX had also talked about another incident that involved XXXXXXXXXXXX. She stated that XXXXXXXXXXXX was full and didn't want to finish her potatoes. XXXXXXXXXXXX stated that the suspect was going to force her to eat the potatoes, and XXXXXXXXXXXX said that she wouldn't. XXXXXXXXXXXX heard the suspect tell XXXXXXXXXXXX that he was going to spank her and they went into the bathroom. They were not in the bathroom that long and XXXXXXXXXXXX heard XXXXXXXXXXXX say that she was too old to be spanked. XXXXXXXXXXXX remembered that they were by the dinner table when the suspect grabbed XXXXXXXXXXXX by the throat. They ended up on the ground where XXXXXXXXXXXX saw the suspects hand around XXXXXXXXXXXX's throat. This incident occurred last year when XXXXXXXXXXXX was in 8th grade at the time at the 8400 122nd St. residence located in Pleasant Prairie, WI. XXXXXXXXXXXX is now in 9th grade at Tremper.

I had XXXXXXXXXXXX clarify this incident for me. XXXXXXXXXXXX indicated that after XXXXXXXXXXXX had sat back down after returning from the bathroom. The suspect was trying to force feed her potatoes. XXXXXXXXXXXX started struggling with the suspect when he moved some of the chairs back. XXXXXXXXXXXX had said that XXXXXXXXXXXX and the suspect ended up on the floor with the suspects hand around XXXXXXXXXXXX's throat. She indicated that this had occurred in 2008 perhaps in January. A forensic exam is scheduled for June 3, 2009.

On June 2, 2009, Nurse Practitioner Rita Kadamian had examined XXXXXXXXXXXX and it was determined that she had a non specific contusion on the lower left arm. Kadamian had indicated that it could be consistent with the history of being grabbed. This report is included in this packet. See report for more details.

A forensic exam was scheduled on June 2, 2009 for XXXXXXXXXXXX. Nurse Practitioner Rita Kadamian examined XXXXXXXXXXXX and indicated that there is a contusion on the left side of his face. Kadamian indicates that this is concern for a non-accidental trauma due to the location and the history of being hit in the face. Furthermore, there is a contusion on the arm which is consistent with being grabbed as XXXXXXXXXXXX had described. Please see Nurse Kadamian's report for details. The report is also included in this packet.

I spoke with Carleen Larson, also known as Carly. I asked Carly to tell me who lives in her house. She stated that it is herself, the suspect, XXXXXXXXXXXX XXXXXXXXXXXX, XXXXXXXXXXXX XXXXXXXXXXXX, XXXXXXXXXXXX XXXXXXXXXXXX, XXXXXXXXXXXX B. XXXXXXXXXXXX, XXXXXXXXXXXX XXXXXXXXXXXX and her two children from a previous marriage, XXXXXXXXXXXX XXXXXXXXXXXX and XXXXXXXXXXXX XXXXXXXXXXXX. I asked Carly to give me some background on the suspect and her relationship. Carly stated that they have been together for about 2 years. They had just moved back to 9189 41st Ave., on May 21, 2009 from 8400 122 St. She informed me that she owns both of her residences and that the suspect does not provide her with any money to support the kids.

Carly stated that she had met the kids in March of 2008 and by May of the same year, she was at their residence every other weekend. Carly remembered that when she started seeing the kids, they didn't have food or a washer and dryer. The children were dirty, they didn't have any updated medical care, nor dental care. She explained that the first visits to the dentist with some of the kids like XXXXXXXXXXXX, revealed numerous cavities.

Carly explained that in February of 2008, she had put xxxxxxxxxxxx xxxxxxxxxxxx (Carly's son), XXXXXXXXXXXX and XXXXXXXXXXXX into counseling. Each child had their various problems. She further stated that she and the suspect were going to counseling for marital conflicts.

I asked Carly to explain the marriage situation as she had informed me that she and the suspect were not married, but yet claim to be. Carly explained that she didn't want to marry the suspect due to his tax liens and the suspect did not want to live with her without being married. Carly describes the suspect as a Christian Radical. They had a ceremony in the summer of 2007 to be married. This union is not a legal union.

Carly further states that she was appointed executor of the suspects deceased wife's estate. I asked Carly why she was named executor and she stated that she was committed to getting the kids money back for future college

expenses. The person that was in charge of the trust prior to Carly had removed the trust money without anyone's knowledge. Carly further stated that the trust is for the suspect and the children. This trust is in Carly's name but the suspect can determine how it is spent. Lara (suspect's deceased wife) had died in April of 2004 from Cancer. Carly had provided paperwork on the trust in the report. Also in 2004, DCFS in Illinois had launched an investigation against the suspect due to him hitting the children with belts.

I asked Carly if she could tell me what was going on between her and the suspect that lead up to this. Carly stated that a couple months before the ceremony in 2007, she had discovered an e-mail on the computer between another woman and the suspect. Carly had discussed this with the suspect who informed her that no one was going to tell him who he could talk to.

Since the incident with the e-mail, Carly and the suspect have been going to counseling. The suspect has mood swings. I asked Carly to explain this. She stated that for 5 to 7 days in a row, the suspect would be fine and that he would seem happy. However, the littlest thing will set him off. They have been going to Wellspring Counseling located at 310 Old Greenbay Rd., 262-883-9000 X 2.

Carly indicated that on May 30, 2009 at approximately 6:45 p.m., she had returned home from having lunch with a friend. Carly had stated that she got into the house and saw XXXXXXXXXX's left cheek. She describes it as being red and it looked like he had been punched. XXXXXXXXXX had informed Carly that XXXXXXXXXX was hit by the suspect.

Carly had asked XXXXXXXXXX if the suspect had punched him. XXXXXXXXXX had told Carly that the suspect had slapped him with an open hand. Carly stated that she had asked XXXXXXXXXX what had provoked this and XXXXXXXXXX said that he was arguing with XXXXXXXXXX. XXXXXXXXXX further told Carly that the suspect had called him into the house and asked him what was going on. Carly said that XXXXXXXXXX told the suspect that he was arguing with XXXXXXXXXX and also made a face at her. XXXXXXXXXX demonstrated the face that he made to XXXXXXXXXX. XXXXXXXXXX stated to Carly that is when the suspect had hit him across the face.

Carly had asked the suspect what had happened. The suspect told Carly that he smacked XXXXXXXXXX in the mouth. The suspect further stated to Carly that is what I will do if he lies. Carly informed me that the suspect did not like XXXXXXXXXX's answer to what was going on and determined that XXXXXXXXXX had lied. Carly stated that this ended in an argument. Carly told the suspect that he had left a mark on XXXXXXXXXX's face, and the suspect had replied, "and..."

On May 31, 2009, Carly had said that everyone was sitting around eating dinner. The suspect had come home and ate with the family and XXXXXXXXXX was making conversation. The suspect had added to the conversation that when he was walking last night after the argument with Carly, the police had stopped him and asked for identification. I checked the incidents from this night for PPPD and there were no contacts with the suspect.

I asked Carly to explain what had happened prior to getting to Tremper on June 1, 2009. Carly had said that she had contacted the suspect reference the girls shower. The conversation got heated. Carly had stated that the suspect had called her crazy and a clean freak. The suspect had stated to her, that the next time that she would tell the suspect to leave, that he would take the kids. Carly said that the suspect was unstable and he needs help.

Carly had told the suspect that she believed that she was a good parent and that she will protect the children. The suspect had told Carly that she couldn't make him leave the residence and she stated that it was her house. The suspect had stated that he would leave if Law Enforcement got involved.

After this phone call, he had texted XXXXXXXXXX and asked her to call her when she was in between classes. Carly informed XXXXXXXXXX that the suspect was acting unstable and that she would be home after school. Around 2 p.m., XXXXXXXXXX had called her back and told her that the suspect was trying to pick her up from school. XXXXXXXXXX was hysterical and Carly told her to get the principal or the security guard. Carly had told XXXXXXXXXX that she was on her way to Tremper. Carly also had called Jeffery School and was advised that the suspect had picked up the kids. Carly had asked the secretary what to do and she suggested contacting 911.

Carly said that she pulled up into Tremper and saw a police officer. She had told him that she needed his help. XXXXXXXXXX had called out to Carly and she noticed that the kids were in the van in the parking lot. XXXXXXXXXX was being escorted to her by a security guard. The suspect had told the officer that they were not married and that the kids don't live in Wisconsin. XXXXXXXXXX was upset and screamed at the suspect that she was not going with him. Shortly thereafter, Pleasant Prairie officers responded.

I asked Carly to tell me about how the suspect disciplines the children. Carly stated that the suspect spansks the kids in the bathroom and that he doesn't do it in front of her. Carly has witnessed XXXXXXXXXX being slapped across the mouth two times within the last couple of weeks. She also had seen the girls lifted up by their chins. Carly stated that XXXXXXXXXX and XXXXXXXXXX have been lifted off of the ground when the suspect does this. Carly has also seen XXXXXXXXXX get her cheeks on her face grabbed on two occasions.

XXXXXXX has also had her arm broken about two months ago. Carly explained that she had come home from gymnastics on a Tuesday and that on that Thursday, she had received a call from the school that XXXXXXXXXX's arm was swollen after jumping rope. Carly was thinking that maybe this injury did not initially happen at the school. Off. Marik will be checking with Scamps on the evening on 6/2/09 just to check if they can recall an injury to XXXXXXXXXX in this timeframe. On 6/3/09, Officer Marik informed me that Scamps confirmed that the injury was sustained at their facility.

I asked Carly to tell me about XXXXXXXXXX and the potatoes incident. Carly indicated that for many years, XXXXXXXXXX has had stomach issues. XXXXXXXXXX would vomit and Carly didn't know what the problem was. Carly explained that in 2007 she got XXXXXXXXXX to the doctor and then they followed up with the stomach specialist. In January of 2008, XXXXXXXXXX had an upper and lower GI. The suspect had thought that XXXXXXXXXX was making herself throw up. The doctor had indicated that XXXXXXXXXX had reflux and a lazy intestine and that he wanted her to put on some weight.

Carly stated that the suspect would make XXXXXXXXXX milk shakes with whole cream and protein powder and would make her drink one or two a day in addition to making her eat everything that was on her dinner plates. In the Fall of 2008, at about the end of dinner, XXXXXXXXXX had some mash potatoes on her plate. XXXXXXXXXX had stated that she was full and could not finish them.

The suspect had told her to finish the potatoes or she would get a spanking. XXXXXXXXXX said that she wouldn't finish the food. Carly stated that she saw the suspect lift XXXXXXXXXX off of the chair and head toward the half bathroom where he spanked the children. XXXXXXXXXX said that she was too old for spanking and called the suspect a freak. The suspect said that he would come up with a different punishment and told XXXXXXXXXX to sit back at the dinner table.

Carly had stated that the suspect told XXXXXXXXXX to sit there until she finished her potatoes. XXXXXXXXXX replied, "What are you going to do force feed me?" The suspect got up, grabbed XXXXXXXXXX by the jaw and took a spoonful of potatoes and attempted to force feed her. Carly stated that the suspect picked XXXXXXXXXX up by the jaw and the chair lifted up with XXXXXXXXXX on it. The chair smashed into the wall and XXXXXXXXXX and the suspect ended up on the floor. Carly stated that the chair left a mark on the wall and there was also a scuff on the chair. This incident occurred at 8400 122nd St. I was further informed that the mark on the wall was still there as well as the chair with the scuff on it.

I requested Officer Hackney to photograph the scuff on the wall and the chair from 8400 122nd St., Pleasant Prairie, WI. See his photos and report for details.

On June 2, 2009, I requested Officer William Larson to conduct a neighborhood canvas in the surrounding area of both residences being 9189 41st Ave. and 8400 122nd St. In the canvas of 41st Ave., Officer Larson noted that Jane and Ervin Field at 9189 41st Ave., knew the entire Larson family moved back to the condo on Memorial day. They informed Officer Larson that they have not heard or seen anything in reference to family problems or trouble since moving in. See his report for other details involving speaking to Aaron Bernau, the suspect's friend. Officer Larson also completed the canvas of the area around the residence of 8400 122nd St. The canvas did not reveal any new information.

I further requested School Resource Officer Paul Marik to interview the children's teachers to see if anyone had any information in regards to the Abuse allegations as well as the Tennis Coach/security guard at Tremper High School that assisted with XXXXXXXXXX XXXXXXXXXX. See his report for details that was provided to him by the teachers.

I also asked Officer Marik to interview XXXXXXXXXX and XXXXXXXXXX XXXXXXXXXX, Carly's children that also reside in the home of 9189 41st Ave., Pleasant Prairie, WI. XXXXXXXXXX had stated that when the suspect gets mad he is uncontrollable. Furthermore, the suspect's children get spanked repeatedly. XXXXXXXXXX had indicated that XXXXXXXXXX has been pushed into walls and smacked until his face has turned red as well as

Detective Heather Mogensen

Reporting Officer William Larson #139 reports the following:

On Tuesday 06-02-09 at 0715 hours Det. Heather Mogensen #141 requested that I complete the below listed follow up on a possible Child Abuse, reported on 06-01-09, occurring at 9189-41st Ave.

1.- Complete "neighborhood" of surrounding condo's in reference to owners hearing or seeing any abuse directed at children by Robert Larson.

2.- Contact friend of Robert Larson's by the name of Aaron W. Bernau who may have concerns about the XXXXXXXXXXXX kids well being, as well as, him having lunch with Larson on June 01, 2009.

3.- Complete "neighborhood" of area near Larson's unoccupied home at 8400- 122nd St.

I responded to the area of the residence/ scene at 9189- 41st Ave. I first stopped at the condo directly to the south of 9189 at 9191 41st Ave. The Owner's, Jane and Ervin "John" Field- 694-5053 stated that the Larson family as a whole moved back into the condo on Memorial day. The Field's said that they know Carleen well and feel she's a great mother to all the kids. The Field's said that they only met Robert a couple of times so can't say much about him. The Fields said that during the few days they have all been living there, they have not heard or seen anything regarding family problems at the condo. In fact, the fields said that the children have been very respectful of the neighborhood since moving in.

The neighbors to the North, Jeff and Deborah Wezzle were not at home. Officer Paul Marik later spoke to Deborah Wezzle. The neighbor across the street to the West at 9164, Harriet Galagher, said that she saw the Larson's move in on Memorial Day but she has not heard or seen any family trouble there.

All of the other condos directly across the street and directly behind 9189 were not home.

I called Aaron William Bernau on his cell phone, (847) 354-1441, and he agreed to come to the PPPD at 1000 a.m. this morning to talk to me about this case.

In summary, Bernau said that Robert called him yesterday at about 8:30 a.m. and wanted to meet him for lunch in Gurnee at noon. Bernau said that they meet and discussed problems Robert was having with his marriage to Carleen Larson. Bernau said that Robert's distress over the marriage, recently, was because Carleen had been threatening to send Robert and his kids away or that she could be able to take Robert's children from him. Bernau said that due to this Robert wanted out of the marriage.

Bernau said that he has known Robert for 22 years and if there are allegations of abuse, that they would be outside of Roberts character. Bernau said that Robert and his deceased wife, Lara, may have spanked their children but Robert would not have done it in an abusive level. See attached statement.

I responded to the area of 8400- 122nd st. and found the home to be the last home on a dead end street. I knocked on the door of the residence across the street belonging to Alan Atkielski - no tx listed. I could hear a person coughing in the home but no one would come to the door. I next went next door at 8440- 122nd St. which belonged to Marvin W. Davis. No one came to the door at that residence as well.

A re-check of the two addresses near 8400- 122nd St on 06-03 resulted in no one home.

End of Supp.

On 06-02-09 I, School Resource Officer Marik #149, was assigned to work an alleged child abuse case with Det. Mogensen #141. Det. Mogensen asked that I interview teachers at three different schools to see if they had any information that may be of value to the case. The child abuse allegedly occurred to five siblings from the same family and the five children went to three different schools. I started my interviews at Mahone Middle School in Kenosha since two of the children (XXXXXXXXXX & XXXXXXXXXXXX XXXXXXXXXXXX) attend that school. It should be noted that XXXXXXXXXXXX XXXXXXXXXXXX is a step-brother of the Larson children and also attends Mahone.

I first spoke with a teacher at Mahone who also happens to be the neighbor of the Larson family. Mrs. Debra J. Wazelle is a teacher at Mahone and lives at 9177-41st Ave. in Pleasant Prairie. She stated that Mrs. Larson called her when the police left the house on 06-01-09 and asked if she could drive the children to school "until this was over". Mrs. Wazelle agreed to take the children to school. On 06-02-09 she picked up XXXXXXXXXXXX XXXXXXXXXXXX (the boys did not go to school that day) and drove her to school. Mrs. Wazelle said that XXXXXXXXXXXX told her she was afraid that her father would try to pick her up at school. XXXXXXXXXXXX also said that things are only bad when her dad was "stressed". Mrs. Wazelle said that XXXXXXXXXXXX was crying and very upset that morning. Mrs. Wazelle wrote a statement concerning her observations. None of the other teachers could remember anything that was said or has happened lately that would be of any help.

I then went to Jeffery Elementary School in Kenosha. XXXXXXXXXXXX & XXXXXXXXXXXX XXXXXXXXXXXX as well as XXXXXXXXXXXX XXXXXXXXXXXX (step-brother) all attend Jeffery Elementary. I spoke with XXXXXXXXXXXX and XXXXXXXXXXXX's teachers about the incident. Mrs. Short said the only thing she can think of is that XXXXXXXXXXXX will only talk about Carly Larson (step-mother) and not dad. She never speaks about dad, only mom. Mrs. Short who was XXXXXXXXXXXX's teacher said that the step-brother XXXXXXXXXXXX made a comment to her that "I feel really bad for my sisters". I then spoke with XXXXXXXXXXXX XXXXXXXXXXXX about his comment. XXXXXXXXXXXX stated that he has seen "Rob abuse his kids". XXXXXXXXXXXX said that he and his mother have lived with "Rob" and his kids for over a year now. He said that Rob has abused every single one of his kids and XXXXXXXXXXXX said he witnessed some of it himself.

XXXXXXXXXX said that on one occasion, he saw Rob Larson push over a chair that XXXXXXXXXXXX XXXXXXXXXXXX was sitting in and then begin to try and shove food in her mouth. This incident apparently was sparked by XXXXXXXXXXXX not eating her dinner. XXXXXXXXXXXX said he thought Rob choked XXXXXXXXXXXX and shoved food in her mouth while she was on the floor. XXXXXXXXXXXX also stated that he has seen Rob slap his children in the face and even grab their jaw and squeeze so hard that it leaves a mark on the children's face. XXXXXXXXXXXX said that the house is quiet and nice when Rob is not there. "It is better with him gone", he said. "He is a bad man and there is no positives in him", XXXXXXXXXXXX went on to say. Rob also apparently swears at all his children calling them "fuckers", and "bitches". According to XXXXXXXXXXXX, Illinois DCFS has been called on Rob Larson when he and his children were living in Illinois. He also said that Rob Larson will tell the children

that "if Carly and I break up, it is because of you guys". XXXXXXXXXXXX agreed to dictating his statement to me and I wrote down what he said. We went over the statement when we were done and XXXXXXXXXXXX signed the statement.

I then went to Tremper High School and spoke with XXXXXXXXXXXX XXXXXXXXXXXX's teachers about anything they may have seen or heard. None of the teachers could provide any more information. I interviewed Mr. Chuck Werve at Tremper. Mr. Werve is the tennis coach and security at Tremper. On 06-01-09 Coach Werve stated that he was in charge of study hall on that day. He received a call from the front office for XXXXXXXXXXXX to come to the office to be picked up. Coach Werve sent XXXXXXXXXXXX to the office and a short time later she returned to the study hall and told Coach Werve that "I can't leave with my dad". Coach Werve took her into the hallway and asked why. XXXXXXXXXXXX then began to cry so he placed her in his office. A short time later the office rang again and said that mom was now there to pick her up. Coach Werve said that XXXXXXXXXXXX told him that her dad was abusing her brothers and sisters at the house. She said that the children were being hit on the buttocks and thrown or pushed into walls by her dad. Kenosha and Pleasant Prairie Police were called to Tremper to take the complaint. Coach Werve wrote a statement concerning his encounter with XXXXXXXXXXXX XXXXXXXXXXXX.

I then drove back to Mahone Middle School and spoke with XXXXXXXXXXXX XXXXXXXXXXXX. XXXXXXXXXXXX is the brother of XXXXXXXXXXXX XXXXXXXXXXXX and the step-brother to the XXXXXXXXXXXX children. I asked XXXXXXXXXXXX to describe for me anything that he has personally seen Rob Larson do to his kids that he (XXXXXXXXXXXX) would deem to be abusive. XXXXXXXXXXXX stated that he has seen Rob spank his children so hard you could hear it throughout the house and he does so "repeatedly, well after the little kids have gotten the message". XXXXXXXXXXXX said that Rob has slapped XXXXXXXXXXXX and XXXXXXXXXXXX until their faces are red. XXXXXXXXXXXX also described the incident at dinner involving Rob and his daughter XXXXXXXXXXXX. XXXXXXXXXXXX said that XXXXXXXXXXXX was not hungry so Rob threw her into walls and onto the floor; he tried "making her eat" her dinner. XXXXXXXXXXXX said that he believes Rob is a "very abusive parent". He wrote a statement concerning his observations of Rob Larson's parenting skills.

This report and all statements will be forwarded to Det. Heather Mogensen #141 as part of her investigation into this matter. No further information at this time. See all related reports.

This occurred during the beginning of the school year when she was in 4th grade which would be September of 2008. XXXXXXXXXXXX is in 5th grade now. This would also be at 8400 122nd St. residence.

XXXXXXXXXX can further remember an incident reference her sister XXXXXXXXXXXX and that she wouldn't eat her potatoes. This occurred in 2008 at 8400 122nd St. XXXXXXXXXXXX said that she saw the suspect get out of his chair and that both the suspect and XXXXXXXXXXXX ended up on the ground. On Saturday or Sunday being May 30th or May 31st 2009, he indicated that he was annoying his sister XXXXXXXXXXXX with questions. XXXXXXXXXX discussed an incident that occurred one or two weeks ago, being in the approximate week of May 17, 2009. XXXXXXXXXXXX stated that three years ago he had written his name in the van. During the week of May 17, 2009, the suspect had found it. The suspect had kept hitting him and put his head into the window behind him. XXXXXXXXXXXX stated that the suspect had grabbed his jaw causing his tooth to become loose, he also had a red mark on his face. This would have been at the 8400 122nd St. residence.

XXXXXXXXXX indicates that he gets spanked a lot and that he has received bruises and red marks on his buttocks. XXXXXXXXXXXX said that it was and the suspect took her phone and informed her that he didn't want her to talk to people. XXXXXXXXXXXX had asked if the suspect had gotten into a fight with Carly and the suspect had said yes.

XXXXXXXXXX said that she knew what this was about because he thought the suspect was going to take them back. Over the weekend the suspect had said that if Carly tells him to leave, they will all go. They had ended up at Tremper and XXXXXXXXXXXX said that Carly was there. She had yelled out to her. The suspect was outside and then XXXXXXXXXXXX also came outside.

XXXXXXXXXX had said that over the week, XXXXXXXXXXXX was cleaning out the car and he was annoying her. XXXXXXXXXXXX said that the suspect had smacked XXXXXXXXXXXX across the face. When asked where this

XXXXXXXXXX was then interviewed. START TIME-11:17, END TIME-11:38

XXXXXXXXXX had stated that she like gymnastics and that she quit. When asked why she quit she replied that she got into trouble with the suspect. The topic shifted, and we didn't address this issue unfortunately. XXXXXXXXXXXX had said that about three to four weeks ago, the suspect grabbed her jaw and smashed her head into the wall. NOTE: The family had moved back to 9198 41 Ave on May 21, 2009.

XXXXXXXXXX had said that she was doing chores and that she forgot to clean out the lint trap. She indicated that when the suspect grabbed her jaw that it hurt. XXXXXXXXXXXX didn't know if anyone else had seen this happen. She added that maybe XXXXXXXXXXXX saw this.

Further details were described that XXXXXXXXXXXX was first sitting in a chair and then she was out of the chair. XXXXXXXXXXXX's head got smashed into the wall. See interview for more details.

Nurse Practitioner Rita Kadamian had examined XXXXXXXXXXXX, XXXXXXXXXXXX, and April on June 3, 2009. No injuries were noted. Please see her report for details.

I will be submitting a copy of this case to the Kenosha County District Attorneys Office for review requesting the following charges be submitted for Robert R. Larson:

*3 counts of physical abuse of a child

Count 1- September of 2008 for XXXXXXXXXXXX XXXXXXXXXXXX. This occurred at 8400 122nd St.

Count 2- May 30, 2009 for XXXXXXXXXXXX XXXXXXXXXXXX. This occurred at 9189 41st Ave.

Count 3- Fall (September) of 2008 for XXXXXXXXXXXX XXXXXXXXXXXX. This occurred at 8400 122nd St.

On June 3, 2009 I contacted the suspect via his cell phone and informed him that I had his Driver's License. I had arranged with the suspect to come to the PD to pick up his driver's license as well as I would assist him by being present while he moved items from his storage unit. The suspect arrived at the PD and he was taken into custody. He was searched and located on his key chain was a handcuff key in addition to a knife that was in his pocket. These two items were placed on the evidence inventory for safe keeping. He was transported to PSB jail at approximately 1:53 p.m by Officer Hoffman.

HAD BEEN ARGUING FOR MONTHS, THAT SHE HAD RECENTLY STATED HER INTENTIONS TO
ALLOW THE EFFECTS OF THEIR DISAGREEMENTS TO AFFECT ROB'S FIVE CHILDREN.
FOR THE PAST COUPLE MONTHS, PER ROB, CARLY HAS THREATENED TO SEND ROB + HIS

CHILDREN FROM HIM. ROB HAS SEVEN CHILDREN FROM HIS FIRST WIFE, LARA, WHO DIED
APPROX FIVE YRS AGO FROM CANCER. SINCE THEN ROB HAS DONE HIS BEST TO PROVIDE
AS A SINGLE FATHER FOR THE CHILDREN. IN THE PAST YR (APPROX), ROB'S OLDEST
TWO CHILDREN HAVE MOVED OUT, ROB CITES DUE TO IRR. DIFFERENCES W/ ROB + CARLY'S

MONTHS HAS SEEN HIS NEXT OLDEST, ~~REDACTED~~ BEGIN TO SHOW THE SAME SIGNS AS THE OLDEST TWO AND FEARS LOSING HER. CARLY HAS TOLD ROB MANY TIMES THAT SHE WAS GOING TO END THEIR RELATIONSHIP WITH A DEADLINE OF 'END OF SCHOOL YEAR'. IN OUR CONVERSATION YESTERDAY, ROB HAD DECIDED HE WANTED OUT OF THE MARRIAGE, PARTICULARLY BECAUSE THE THREATS HAD NOW MOVED BY CARLY TO THE POSSIBILITY OF TAKING THE CHILDREN. ROB HAD TOLD ME THAT HE INTENDED TO MOVE OUT W/ HIS CHILDREN AND TO REACH OUT TO HIS OLDEST TWO. IT IS NOT SURPRISING THAT AN ALLEGATION, TIMELY TO THESE ARGUMENTS, HAS BEEN MADE REFERRING HIS CHILDREN, THOSE I KNOW HE LOVES MOST. I HAVE KNOWN ROB FOR 22 YRS, SINCE I WAS 13 YO. I KNEW HIS FIRST WIFE VERY WELL. THE ALLEGATIONS ARE COMPLETELY ^{OUTSIDE} AGAINST HIS CHARACTER. WHILE HE/LARA MAY HAVE "SPANKED" THEIR CHILDREN, IT IS NOT OF HIS CHARACTER TO DO SO TO AN ABUSIVE LEVEL. I WOULD BELIEVE IT IS LIKELY EXAGGERATED BY CARLY

Contusion on face concerning for non-accidental trauma due to location and history of being hit in the face. The contusion on the arm is non-specific, but could be consistent with being grabbed as described by [REDACTED]. The lack of injuries noted on the buttocks does not rule out previous abusive injury as these contusions may have healed prior to this visit.

Assessment:

Non-specific contusions. The contusion (faint) on left lower arm could be consistent with the history of being grabbed by the arm. The lack on specific injuries on this date does not rule out previous abusive injury as described by the children. - Other injuries may have resolved prior to this visit.

Re: Report of Alleged Child Maltreatment of [REDACTED] and [REDACTED]

Dear Heather Mogensen:

Thank you for your concern about children in our community and for making a report to the KDCDCFS on June 01, 2009, informing us that [REDACTED] and [REDACTED] may have been a victim of maltreatment.

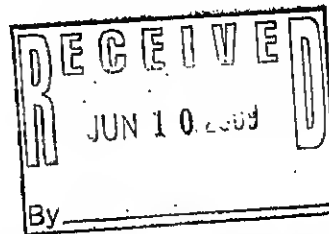

In accordance with s. 48.981(3)(c)6. and 6m., Wisconsin Statutes, that governs responses to reports made by mandated reporters or relative reporters, we are advising you that we have evaluated the situation to determine if the circumstances warranted family intervention.

- ☒ All relevant parties were interviewed and an assessment was completed.
- ☐ No services were determined to be needed.
- ☐ The family was referred to community resources. No further action will be taken.
- ☒ The family was referred for ongoing services within our department.
- ☐ The family declined an offer of services and there are insufficient grounds for court intervention. Therefore, no further action can be taken at this time.
- ☐ Tribe was notified.
- ☐ We were unable to complete an assessment of this family as family members could not be located and interviewed.
- ☐ The family has relocated. Your concerns have been forwarded to their new county of residence for further assessment.
